DOG FRIENDLY PLACES ON TENERIFE

BEACHES

There are not many beaches especially for dogs in Tenerife. However, the "no dogs allowed" signs on some beaches are frequently ignored. We can recommend you the following beaches, which are especially designed for dogs.

- **Playa del Puertito**, situated close to the city of Guimar. (The southern corner of the dark sand beach is the area that is dedicated for dogs.)
- **Playa de Las Teresitas**, situated in a small village of San Andres in the north parth of Tenerife
- **El Confital Beach**, Situated at the south end of the La Tejita Beach, in the municipality of San Miguel de Abona, Tenerife, El Confital Beach is a small, sandy spot of about 150 meters of length exclusively for tourists visiting with their dogs. The beach has adopted services like waste repository.
